INTRODUCTION

AMPS is a craft guild made up of over 450 of the most imaginative and highly experienced people working in film, television and game sound. We are a lively and stimulating professional community. We promote the value of great sound in TV and Film and the creative contribution it can make to every production. Our members have been nominated for many sound awards internationally and we proudly include a host of BAFTA, Oscar, Emmy, CAS and MPSE Award winners.

AMPS was founded in 1989 with the aim of creating an organisation of sound professionals. Since then we have grown to include technical demonstrations, talks by prominent figures, networking, film screenings, mentoring, training and UK wide social events. Our print [Journal](#) and digital [Newsletters](#) focus on sharing the wealth of knowledge and experience amongst the membership.

The [AMPS Awards](#) are presented annually for excellence in sound, and are gaining increasing prestige and recognition on the world stage. We also offer sponsorship opportunities for these Awards - see below.

OUR MEMBERS

AMPS membership includes sound professionals in these roles for Film, TV and Games:

Production Sound Mixer, Sound Assistant, Re-Recording/ADR/Foley and Music Mixer, Sound Designer, Sound Editor, Music Editor, Engineer, Foley Artist plus many closely related roles.

AMPS is run by an elected Council of eighteen Full Members. We are strongly committed to the selection, development and promotion of sound professionals based on individual merit. We believe that our industry should provide equal opportunities to all who are creatively involved in sound for moving images.

AMPS is a professional association and not a trade union.

AMPS AWARDS SPONSORSHIP

In addition to Sustaining Membership, we offer the opportunity to sponsor our internationally recognised Film Award or Television Drama Awards for Sound. This offers a higher profile for your company or organisation and allows you to be directly connected with the productions which win both our Awards and often Oscar and BAFTA success.

- We ensure that all Awards Presentation photos are taken in front of a custom designed banner with many instances of your logo and company name very prominent as the principal background
- All mentions of the award on our website will include your logo, company name and acknowledgement of sponsorship
- All our press releases will feature your company name, acknowledgement and logo with prominence in the body of the text
- Your logo, company name and acknowledgement are used in all AMPS generated Awards social media, which spreads widely and internationally throughout the Film, TV and related industries
- Your logo, company name and acknowledgement of sponsorship feature boldly and clearly on Nomination Certificates and Certificates of Merit which are given to around 50 high profile professionals honoured in our awards every year and then proudly displayed

If you are interested in Awards Sponsorship, please contact Shelly Jones, Administration Secretary, admin@amps.net. If you would prefer a chat with a member of AMPS Council management team about any aspect of our Awards we can call or meet in person.
