## We Are Audio Ltd: Sound Designer | Dubbing Mixer

September 2011  
- Present

In 2011 I formed We Are Audio with my partner Ruth Rainey. We Are Audio is a sound for picture company, who provide sonic loveliness for sound to picture post-production, branding, music, and live broadcast projects.

My roles within We Are Audio include dubbing mixing for film and TV projects, producing bespoke music for branding and advertising, sound design and project management.

Current clients include Netflix, Channel 4, NorthOne TV, Sony Entertainment Television, Disney+, Colombia Pictures, Sky, the BBC, ITV, Apple Music, Google, Lego, Cadburys, Dixonbaxi, Dazzleship, Wildseed, Pressure Drop Pictures and Connected Pictures.

You can see and hear some of our recent projects at: [weareaudio.com](http://weareaudio.com)

## Freelance: Sound Designer | Dubbing Mixer

October 2011 -  
August 2017

I worked as a freelance sound designer and mix engineer at Sony Pictures International. My role there involved working for channel in the yuk, Germany, Russia, South Africa and Itay. I also composed original music and ident branding for some of the new channels that were launched.

## Konk Studios. Music Engineer/Producer

January 2002 -  
October 2011

2002-2011 Engineer at Konk Studios

I was involved in many successful projects over the eight years I worked at Konk, this included several number one albums and singles.

During my time at Konk I worked alongside some of the very best UK and US producers, including; Tony Hoffer, Jim Abbiss, Craig Silvey, Alan Moulder, Mario Coldarto, Steve Osborne, Mike Hedges, Soulwax, Lexxx, Jas Shaw and James Ford, Mike Crossey, Phil Brown and Ben Hillier.

I have long experience and extensive practical knowledge of both vintage and modern audio equipment including Pro Tools software, Avid, SSL, API and Neve consoles, all types of musical instruments, microphones, tape machines and analog outboard.
