Dubbing Mixer/Sound Editor

Reliable, experienced Sound Editor/Dubbing Mixer with credits over TV, features and national radio spots who is adaptable to the needs of the production office. Being a knowledgeable and hardworking individual, I have a huge desire to collaborate and learn with those around me. I am an experienced Pro Tools certified user with some experience on the Avid S6 and D Command consoles. Experience with 5.1 Mixing, VO's, ADR sessions using Source Connect. And proficient in iZotope RX, Nugen VizLM and Broadcast Loudness Standards.

I can collaborate and communicate with others effectively; problem solve with confidence and operate independently or within a creative team. I have consistently demonstrated the ability to meet set deadlines and endeavour to deliver the highest possible audio standards at all times. I have excellent client and administrative skills, time keeping, and I can take direction and quick to act when given a task.

I am also a member of the Association of Motion Picture Sound (AMPS) and BECTU. References supplied upon request.
