OTHER INFORMATION

I have over 20 years experience in all types of broadcast TV, including considerable experience in Desert Environments, Jungle Environments, Extreme Sea Environments, and Hostile Environments. I own a very comprehensive sound kit which includes 6 radio mikes and enough bits and bobs to be creative when time permits and inventive when budget dictates.

I hold a current I visa.

Recently completed the 5 day BBC Hostile Environments Course.

I speak fluent Dutch, some Italian and hold a full driving licence.
