Profile

Sound FX Editor/Re-recording Mixer with credits over HETV, features and national radio spots who is adaptable to the needs of the production office. Being a knowledgeable and hardworking individual, I have a huge desire to collaborate and learn from those around me.

I am an experienced Pro Tools certified user with experience on the Avid S6 and D Command consoles. Experience with 5.1 Mixing, VO's, ADR sessions using Source Connect/Nexus. Proficient in iZotope RX, Nugen VizLM and Broadcast Loudness Standards.

I can collaborate and communicate with others effectively and I have consistently demonstrated the ability to meet set deadlines and endeavour to always deliver the highest possible audio standards. I have excellent client and administrative skills. I can also take direction and I am quick to act when given tasks.

I am members of the Association of Motion Picture Sound (AMPS), BECTU and BAFTA Connect.
