## BOOM OPERATOR

[joanna.andrews@hotmail.com](mailto:joanna.andrews@hotmail.com)

Career boom operator, based on the Essex/London/Hertfordshire border, with over 20 years' experience in HETV drama, comedy, and features. I fell in love with boom operating during my course in sound recording at the NFTS and that love affair continues to this day. I am a calm and confident presence on set, striving always to capture the actors' full, authentic performances in collaboration with all other departments.
